- The line maximizes the color gamut with the fewest number of skus - 48 colors. Retailers will have increased inventory turns as the line has virtually all "A" and "B" selling skus.

- All 48 colors have an ASTM lightfast rating of "1" Excellent.

- Reformulations and new formulations are highly pigmented and have superior tinting strength, but at a single student price.

- Over 1,000 artists are using the new Academy Acrylics in workshops nationwide.
